

CULTS BOOMING IN MEXICO

August 21, 1998 (David W. Cloud, Fundamental Baptist Information Service, www.wayoflife.org) - Christian cults which teach a false gospel are growing rapidly in Mexico. The Seventh-day Adventists reported an increase of more than 7,000 new members in January alone (Ecumenical News International, Feb. 23, 1998). The SDA now claims more than 500,000 members in Mexico. According to the World Churches Handbook, there are also 780,000 Jehovah's Witnesses and 789,000 Mormons in Mexico.
